Dust and Snow

Saturday' Weather

Once again we are having a variation in the weather after a warm springlike day Friday with the sun shining brightly. A change came over the scene Saturday morning with a strong cold north west wind which towards noon was raising the dust in clouds interfering with traffic on the roads, then later bringing with it snow, though not heavy was rough at times. However, that passed over and now milder weather is setting in. Roads that were rather wet from the last snow storm are drying up nicely, with the exception of a soft spot here and there.

Speaks In Barons

Rev. P. Dawson spoke at Social Credit at Barons' West yesterday evening. His talk was mainly an inspirational one on the theme of "It Can Be Done." Mrs. A. S. Roberts rendered two solos. A large crowd attended.

TODAY

"Think not on Yesterday, nor trouble-brow
On what may be in store for you tomorrow,
But of Today be your incessant care."
The Past is Past, Tomorrow's in the future.
Who gives Today the best that in him lies,
Will find the road that leads to clearer skies."

Scouts Aiding Fund

From the far northern point of Port Fitzgerald to the Southern Border of the Province, envelopes for the Silver Jubilee Cancer Fund have been sent from the head office of the campaign in Calgary, to 35 Boy Scout Troops in different towns in Alberta. Before Saturday 13th, 22,500 homes will have been reached. Contact has also been made through the rural schools of the province.

Readers of this paper are asked to examine their contributions, no matter how small, send the envelope which is addressed to Lady Beesborough, Ottawa, and mail. No stamps are required.

Due to the large amount of peeling contained in Canadian grown apples the juice of Canadian apples may be used in other fruits to give a jelly consistency to jams and marmalades. There is no waste to a good apple, even leaping and the core may be used as jelly.

LET TAKE AND NO GIVE

"Please send a few copies of the paper containing the obituary of my aunt. Also publish the enclosed clipping of the marriage of my niece who lives in Saulters. And I wish you would mention in your local column if it doesn't cost any thing that I have two nice puppies for sale. As my subscription is out please stop the paper, as times are too hard to waste money on newspapers."

Rev. Dawson Gives Report of Convention

The Champion Social Credit group held their regular meeting Tuesday, April 16th. There was a fair turnout in spite of the bad roads.

The meeting was opened by Rev. Peter Dawson reading the minutes of the Vulcan convention. At that time we listened to the 9 o'clock social credit broadcast which was very well received.

Rev. Dawson then gave a detailed account of the Calgary convention. It was very gratifying to note how the plan form advocated by Wm. Abernethy was adopted and that there were very few changes which were more of an addition than otherwise.

After listening to the proceedings of the Calgary convention we had the opinion our leader, Wm. Abernethy, R. A. must be endowed with a super mind.

In the English Class

"James, have you whispered today?" inquired the teacher.
"Only when," said James, hanging his head.
"Helen, should James have said more?"
"No, ma'am," answered Helen, "he should have said twice."

Hon. J. R. Love, Provincial Treasurer

The majority of farms in Western Canada approach very closely to a family business. For instance, during the year 1930 in five main areas in Alberta and Saskatchewan, 82.7 per cent of all the farm labor used on 573 farms was supplied by the farmer and his family.

"And you, Willie," said mother at the table. "Will you have pie or pudding?"
"Pie," said Willie promptly.
"Pie, what?" father broke in sharply, to teach him manners.
"Pie first," Willie answered.

Mother—"Marilyn, were you a good little girl at church to day?"
Marilyn—"Yes, mother. A man offered me a big plate of money, and I said, 'No thank you.'"

The proposed amendment to legislation with regard to newspapers is regrettable. One hears on every side the remark that the sole object of the amendment is to enable the Provincial Government to get back at certain newspapers, and that it shows a vindictive feeling.

There is no doubt that there is much truth in this, and a Government working along these lines shows a pettiness and mean disposition unworthy of the people they represent and which can only stultify itself and do more harm than good.

We do not think that in all the world there are better conducted newspapers, showing more restraint, culture and courtesy than the newspapers of this Province, and if they

hit out strongly at times, and they seldom do, it is because the matter in question is serious and of great public interest and they see inevitably justified in so doing.

We might call the attention of the Government to that old and very true saying, "The Pen is Mightier than the Sword."

Arbor Day has been fixed for May 13th.

School is closed for the Easter holiday until the 29th.

A light shower fell over the district Tuesday, adding a little moisture to the soil.

About the beginning of the week will see work on the land start in earnest.
